Endnotes for Data Matrix for Avian Control™

¹ The original data submitter was Stone Soap, Inc. Stone Soap Inc. transferred the registration and data to Avian Enterprises, LLC. EPA approved this transfer on April 6, 2012.

² This product does not consist solely of the technical grade active ingredient (TGA) and is not produced by an integrated system, therefore, per OPPTS 830.1700, these data are not required.

³ **830.6313, 830.7050, 830.7200, 830.7220, 830.7520, 830.7550-7570, 830.7840, 830.7950** – These data are required to be conducted with the TGA and not end-use products, therefore these guideline studies do not apply to Avian Control™.

⁴ **830.6319** - These data are required if the product is an emulsifiable concentrate and to be diluted with petroleum solvents. Avian Control™ is a liquid but is not diluted with petroleum solvents, therefore this data requirement is not applicable.

⁵ **Non-target Organism Data Requirements** – Avian Enterprises, LLC is using the formulator's exemption for this active ingredient. The uses of Avian Control™ are no different than those of the purchased EPA-registered ingredient, and therefore additional data are not required to be submitted or cited to support Avian Control™ uses. Refer to the directions for completion of EPA Form 8570-35 and PR Notice 98-5.
